

taste

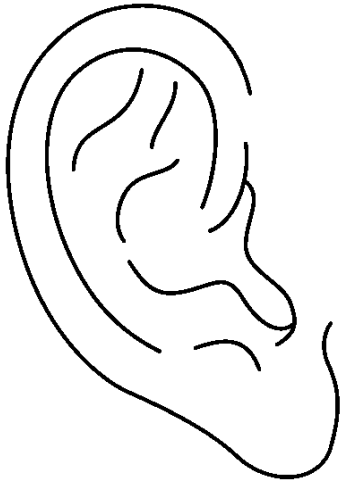

feel

smell

see

hear

5

Senses

Lessons

- Flash these flashcards couple of times, and say the word, and they can repeat after you.
- Flash card and the students must touch the body part that they use that sense. For example, If you flashed 'see', they must touch their eyes.
- Paste these flash cards on sides of paper cube (or small shoe box which the cover is taped to the bottom). Each child roll the 'dice', and whatever picture comes up on the top, they have to name or find an object that they have to use that sense. If the "5 Senses" comes up . They have to name all the 5 senses.

Activities

- Make double copies of the cards, and Let them flip it, and find the match.
- Cut out 3 pictures for each sense i.e. apple/ taste, tree/see. Let the children put the pictures under the words.
- Play I spy game by saying, "I spy something that smells _____."
- Have the children attach the flash cards on the teacher boy parts. Or a large doll.
